

NEW REGULATORS NEWSLETTER NOVEMBER 2015

With fourteen club members present, we started our monthly meeting for November.

Scribe's report: Granny read the notes from October's meeting. A motion to accept the minutes was brought to the meeting . Voted yes.

Banker's report: Armstrong Rosie gave a report on the club's banking status. Everything is good. And everyone who needed to get reimbursed for projects done were. Del Monte built some swell props on wheels, Ranger Six put together an updated first aid kit, and an old cowboy, a cowgirl, and the KID, will get together and do a little PR for the club, by donating to Rural Resources.

Old business: At the October meeting we had a discussion on how much liability insurance the club needed. We are paying for one million dollars liability insurance, at the cost of about \$900.00 per year. Someone suggested we look into buying more, just to be on the safe side. Crazy Knife Al (our deputy sheriff) volunteered to check into it for us.

New business: William Bowie and Crazy Knife Al read thru the list of rules that some other SASS club members wanted to change. We have a Territorial Governor who will vote for us as a club by proxy. The rules were read and we voted after very good views on both sides.

It was also suggested we start organizing for the 2016 Annual Match. Someone brought up the fact we have not voted to have an Annual match next year. So if you as a club member wants to get involved with this big project, come to the next meeting. December 6th is our next monthly meeting. It starts after the shooting stops.

The other business in the making is the club elections. Officers are only in term for one year, unless they are reelected. The board of directors have a 2 year term. (there are three directors voted in. Then we have one landowner, the out going Sheriff, and the Territorial Governor, so all together we have 6 directors, to keep things in line.) Please fill out your ballot and send it back before December 6th.

Volunteers for December's shoot weekend are: HACK and AT McGee.
