

**NORTH EAST WASHINGTON REGULATORS
MONTHLY NEWSLETTER
MARCH 6, 2016**

Our newly elected club President/sheriff Burt Demoskoff, called the meeting to order. There were 12 members present.

Sheriff Hack asked for the scribe's report. The scribe read the minutes from February's meeting. The report was approved.

Next came the banker's report. It was read and approved.

OLD BUSINESS:

Crazy Knife Al had a small question about the blow-aways he is to buy for the club.

We had a short review of what has been done so far for this year's annual.

Work days for the annual are as following: March 19 & 20, April 16 & 17, and May 14 & 15. If you want to help, come on those days or call Covada at 684-4476.

Other old business, Ranger Six informed us the club Web site is almost ready. This week sometime. He needed to know who would have access to the security code for the site? There was a discussion: Since there was no volunteer to do this job, it was suggested to have the club officers have the security password. That way there would be 4 people you could get a hold of to put info or pictures on the club website. A motion was voiced and a vote taken to approve the officers having access to the website.

(So now we will hopefully have some new and different monthly match pictures on our new website, plus the scores and info for what's happening on the range.)

Del Monte suggested we go back to 9:00 AM starting time and make sure to have 6 scenarios on Sunday. There was a discussion: The reason the start time was changed to 10:00AM year round was for the convenience of far-away shooters to get here on time. And the reason the Sunday shoots were usually limited to 5 scenarios was so the club could have a monthly meeting on Sunday after the shooting was done. There was a motion to change the shooting time to 9:00 AM instead of 10:00 AM and make sure to have 6 scenarios on Sunday. A vote was taken and approved. **SO SHOOTING STARTS AT 9:00 AM. MAKE SURE YOU COME EARLY AND SIGN IN.**

Who Knows suggested we get a club banner made that shows our face book and webpage addresses. He volunteered to go to the sign store in town and get a quote as to how much the banner would cost. He will bring the info to the April meeting.

Cracker Jack's Kid asked the club if he could sell Pizza coupons as a fund raiser for his Boy Scout troop. None of the club members had a problem with that. Bring some money next time to support Josh's troop.

Sheriff Hack then called for 2 volunteers to come up with scenarios for the April monthly match. Del Monte will do them for Saturday and Cracker Jack's Kid and Who Knows volunteered for Sunday.

EVEN WITH THREATING RAIN SHOWERS, Saturday and Sunday were great shooting days. The scenarios were engaging and fun to shoot. **THANKS DEL MONTE AND IDAHO MULESKINNER!** We had 14 shooters each day. On Saturday we had 5 guest shooters show up. Thanks for shooting with us! Wiley Bob , Lady Crowe, Dirty Southpaw, Crazy James, and Mild Max. The scores for Saturday and Sunday are:
