

## NORTH EAST WASHINGTON REGULATORS MAY 2016 NEWS LETTER

A census was taken on Saturday during the shooting, if anyone had any thing to talk about for a monthly meeting, and the only thing mentioned was the request from Ranger Six to ask all club members which links they wanted to put on our club Web site.

Other than that we had nothing to meet about. So we did not have a meeting.

On Saturday, May 7<sup>th</sup>, we had 12 shooters trying out Ranger Six's scenarios. The weather was great and everyone had a smoking great time.

The next day Sunday, May 8<sup>th</sup>, we only had 8 shooters including a couple of guests from down south. Dirty Southpaw and Bootless Bob, thanks for shooting with us. Plus Troupe West was recovered enough from a knee replacement to come down and shoot with us. Great to have you and Ma Stroker back. The scenarios were made up by Granny Gunsmoke.

CLEAN MATCH :	GRANNY GUNSMOKE	

The next monthly shoot will be on June 4<sup>th</sup> and 5<sup>th</sup>. The shooting starts at 9:00 A.M.. We had no meeting, which meant no scenario volunteers, so the scenarios for the June shoot will be the same as the Annual match.

Next function on the range will be May 14, the last day to do any repairs, before the Annual. We will be putting up the Blow a ways, and moving the stuff for the out door kitchen, and picnic tables. Work starts at 9:00 am.

May 21 and 22, our club members who will be working at the Annual, will have a chance to shoot the scenarios for a score. There will be lunch provided on both days. Shooting starts at 8:30.

May 27, 28, and 29<sup>th</sup> will be the Big Annual Match ( TOMBSTONE).  
Sign up if you have not, or just come to help out . Granny will put you to  
work, that's for sure!

REMEMBER JUNE 4<sup>TH</sup> AND 5<sup>TH</sup> ARE THE NEXT MONTHLY SHOOT.  
( Trouble, it starts at 9:00 am.) Hope to see you there! Granny.
