Board of Directors fills Vacancies

The Board of Directors convened on Saturday July 2 to address the matter of vacancies created by the resignations of Sheriff Burt Demoskoff and Deputy Sheriff Alan Gayda. In accordance with Articles 4.3 and 5.7 of the Bylaws of North- East Washington Regulators, the following appointments were approved by a unanimous vote of the Directors: Bonnie Trudell – Sheriff, Duane Ford – Deputy Sheriff, Scribe – Don Cleave, Director Current Past Sheriff – Chuck McComb.

Also in accordance with Articles 4.3 & 5.7, these appointments must be ratified by the Membership. **This announcement serves notice that a ratification vote by the Membership will be taken during the course of the Membership Meeting following the monthly club shoot of Sunday, August 7.**

ROI & ROII Training

Rick Miller, aka **Captain Cops**, announced he has negotiated arrangements to offer *SASS Range Operations Basic Safety Course (Level I)*, and *SASS Range Officer Training Course (Level II)* here at Ricochet Junction November 4, 5 & 6. This is a great opportunity for N.E.W. Regulators, as well as members of other clubs, to receive quality training. **To make this happen a minimum of 10 students must register for each course and a firm commitment of interest to attend must be made by Thursday, September 1.** To not miss out on this opportunity, **contact Bonnie Trudell (509-684-4476) to indicate your show of interest by Sept. 1**, and if enough interest is generated, firm plans will be made with the trainers and specific information will be provided to all. **Thank-You Captain Cops.**

Critique of *Ambush at Ricochet Junction 2016*

A critique of the annual match was conducted during the course of the General Meeting of Sunday, July 3. Match Director Rick Miller, aka **Captain Cops** conveys a BIG THANK-YOU to all who worked and participated in making it a success. The discussion was constructive and considerations will be included in planning for future annuals. While this annual event generates revenue benefiting the club and all members, lack of support and participation by the membership as a whole brings to question the viability of future productions. Any ideas on how to overcome this affliction would be welcomed and appreciated.

Speaking of *Ambush at Ricochet Junction 2016*

Thanks to Chuck McComb, aka **Scooter McComb**, a well presented article about the annual, with photo's, was published in the June 29, 2016 issue of the Statesman-Examiner. If you haven't seen it, copies are still available so pick one up. Also, Chuck is submitting monthly articles about our monthly Cowboy Action Shoots which are being published, so check it out. Thanks Chuck!!

Wild Bunch Action Shooting

Bob Trudell, aka Covada, presented the business plan for the **Wild Bunch Shooting** program which was approved by a vote of the membership in attendance of the July, 3 General Meeting. The program is scheduled for the 2nd Sunday of every month, however since a lack of qualified Range Officers exists due to a disability and resignations, the program is suspended until further notice.

Links for the Web Site

In response to suggestions of adding links to other web sites from our club's site, Gary Farris, aka **Ranger Six**, is soliciting suggestions for links to be added. Contact Gary at gfarris@yahoo.com with your suggestions.

All American Hotdog Roast

In consideration and observance of Independence Day, Linda Cleave, aka **Armstrong Rosie**, hosted a hotdog roast with chili beans and all the fixings served after the shoot on Sunday, July 3. It was mighty tasty. Thanks Rosie and also thanks to Becky Collier for helping with setting up and KP duty.
