January Monthly Shoot Cancelled, but February Will Soon Be Here!

Due to the extreme cold weather rendering it just too cold for safe gun handling or to be an enjoyable experience, our club broke its' "year around shoot tradition" and cancelled the January match. So let's pick up the pace and make up for lost time by coming out **Feb. 4 & 5** and shooting the always challenging and enjoyable scenarios of Idaho Muleskinner and Ranger Six.

Annual General Membership Meeting

As noted the December Newsletter, specifics on the *Annual General Membership Meeting* would be forthcoming. Here it is folks, and hopefully all members will be in attendance wearing their best *Cowboy & Cowgirl* duds and enjoy a *Guaranteed Good Time!*
