

NORTH EAST WASHINGTON REGULATORS

OCTOBER 4, 2015

After a fine fall day of shooting, the monthly meeting came to order. There were 13 club members present at this meeting. It's always good to have lots of opinions at these meetings.

We didn't have a club meeting in September, so there was no Scribe report for September.

Our banker gave a brief report and the club has a goodly amount of money in the bank.

OLD BUSINESS:

It was brought to our attention that Del Monte did not get reimburse for his crafty additions to the club props. The banker will get things settled with Del Monte pronto.

NEW BUSINESS:

We need to be getting our yearly community service donations figured out and given away.

Some of the suggestions were :

- 1) Donate to Rural Resources, mainly their Senior home repair and maintenance program.
- 2) Donate again to the local group Point Man, they are a religious group that help local vets.
- 3) Donate again to the local 4-H shooting group.

We voted to NOT give donations to the Point Man group or to the 4-H shooting group.

We did vote to donate \$500.00 to the Rural Resources Senior home repair program.

If any member has other suggestions for good causes come to the next meeting and voice your opinions.

(There was a question whether we had enough club members to vote for this large amount of donations. We did. We needed 10% of the membership.)

OTHER NEW BUSINESS:

Ranger Six volunteered to update our first aid kit. After viewing the contents we have now, he says a lot of the items are out dated and need to be replaced. There was a motion to reimburse Ranger Six to restock our first aid kit, up to \$300.00. VOTED YES.

We had a discussion on the raised prices of being affiliated with SASS.

SASS wants their business name on all liability Insurance policies that our club or all other SASS clubs pay for. They also raised the cost of being a club associated with SASS. And it's based on the SASS members versus non-SASS members in our club.

And the last bit of new business at our meeting was to inform you members to run for office. All the officers and board of directors will need to be voted on again. If you want to run for office or someone you know wants to run for office, come to the next meeting and nominate them. (Don Cleave says he will not run for president again.)

Nominations need to be voiced in November so the voting can commence in December.

Volunteers for November scenarios are Ranger Six for Saturday and Crazy Knife Al for

Sunday.

The meeting closed at 2:35
