

North East Washington Regulators Newsletter 2015 December

On Saturday, December 5th, a threat of rain did not even dampen the enthusiasm for shooting. We had 19 shooters shooting up some great scenarios, some coming as far as south of Spokane. Thanks for shooting with us! The scenarios were created by AT McGee. Thanks AT!

Sunday, our group was not as large but still a fun group to shoot with. Crazy Knife Al surprised us with a few new (to us) sweeps. Our brains were challenged! Thanks Crazy Knife!

After our shoot on Sunday, 14 members showed up to have a monthly club meeting. Our club sheriff called for the scribes and bankers report. Both had motions to approve the reports. Voted Yes.

Old business: The committee who was to give away the donation to Rural Resources Senior housing repairs, slipped thru the cracks last month and did not get the donation to Rural Resources. They will try again and have this happy deed done by the end of December.

Second on the list of old business was a discussion about the 4-H shooting club that would like to come up and practice on our range. They canceled until next spring. By then we should have more info on what they shoot, who is their instructors, and if they will be able to supply themselves with their own liability Ins.

Third on the old business list was a report from Crazy Knife Al on how much more Liability coverage we could get and for the cost of doing this. Crazy Knife Al reported our Insurance company would only cover us up to 2 million dollars. Right now we have 1 million dollars coverage which comes due around January of each year. The last of old business: Did we want to fund another Annual Match? There was a long debate on this subject. The against members thought it cost a lot of money to put one on, with a lack of volunteers to help. The For group thought we could work thru the difficulties involved with a smoothly run Annual match. A motion to fund an Annual Match for 2016 was put forward to a vote. There was a vote of 8 to 4 for the funding for another Annual Match.

May 27, 28, 29 will be the date for the match. There will be the first of many meetings to get the ball rolling for the mechanics of the Match. Jan. 2, after the Saturday shoot, will be a meeting. If you want to volunteer for a position on one of the committees, please come to the meeting. (around 1:30 to 2:00)

New business: We needed to make a date to hold our END OF THE YEAR MEETING/DINNER: This meeting is a requirement of our by-laws. We meet the newly elected officers, board of directors, hear how the club is doing financially, hear what is happening with the new programs for shooters at the range, and just get together as a group to celebrate another year of good shooting. Stephani's Oak Street Grill, is the best choice so Armstrong Rosie will go and make the arrangements. When I hear more information I'll let you know.

Del Monte suggest we buy more targets, for the coming year. It never hurts to upgrade our supply of targets. Del Monte and Covada will research the cost for the new targets and bring a proposal to the next club meeting.

Ranger Six put a proposal to the club. He found a willing person who will make a new website for the club. Right now our website is dormant. No one is keeping it updated. Ranger Six talked to a website builder who does this sort of thing for a small price. The cost to set up a new website is \$550.00. The yearly fee to keep it is \$110.00 a year. Our present website cost us \$126.00 a year, which is coming up due again. He would run the website for a small fee. A motion was passed to hire this person to build and run our new website. Voted and passed. We would close our old website. And in the subject of talk, we do have a FACEBOOK page that Diamondback Dotty made for us a couple of years ago, but it is out dated, and needs work. Rebi and Dwayne Ford offered to get the FACEBOOK updated and functional so Granny will get the Fords and Dotty connected to confer.

SO BEING THE END OF THE YEAR, START THINKING OF CLUB DUES. MEMBERS HAVE UNTIL FEBRUARY 15, TO PAY UP FOR THE YEAR 2016.

1st person pays \$40.00, 2nd person pays 30.00, and juniors are \$10.00, (16yrs and under).

Volunteers for scenarios are Covada Saturday, Del Monte Sunday.

Next monthly shoot Jan. 2nd and 3rd. Shooting starts at 10:00 am after a brief safety meeting. Bring a friend and join us.
