Match Scoring

Your club has invested in 2 Notebook Tablets and with the help of Army Law Dog and Rebi, they were ready to utilize the ACES scoring system for scoring the October monthly match. Yes, 19th century shooting meets up with 21st century technology, but it works, and with a little practice this will become the standard for the club's match scoring.

Monthly Matches continue to be Well Attended

Shooters were challenged and entertained this month with 18 shooting *Granny Gunsmoke's* scenarios on Saturday and 12 shooting *Del Monte's* scenarios on Sunday.

November Match

The November match promises to be an action packed week-end with *Ranger Six* providing the scenarios for Saturday Nov. 5 and *Ma Stroker* once again mixing it up on Sunday, Nov. 6.
