## **Did You Know?**

### **Tidbits to ponder courtesy of Territorial Governor Ranger Six Timer Operator Tips Part 2**

Notes from TO class given by *Shamrock Sadie*

The shooter may not carry shotgun ammo on holsters for later use. It is considered illegally acquired ammo. Use of ammo from cartridge loops mounted on a firearm's stock or forearm is also not allowed. When shooter stages rounds on prop per stage instructions, it must come from a legal place; unless the stage writer allows reloads to be carried in any manner to the stage.

The TO should check that the shooter begins at the correct starting location, position and stance. The TO also checks that the shooter has staged firearms and ammo as required, and then answers any last minute questions
