## Did You Know?

**Tidbits to ponder courtesy of Territorial Governor Ranger Six**

Hats

Part 1

SASS puts a great deal of emphasis on costuming because it adds so much to the uniqueness of the game. Shooters may choose the style of costume they wish to wear, but all clothing must be typical of the late 19th century, a B-Western movie, or a Western television series. While Cowboy Shooters are required to be in costume, there is much latitude given to what is worn.

### Did You Know (continued)

Hats are generally worn, but are not required unless the shooter is in a costume category. In the Classic Cowboy/Cowgirl category, a hat must be worn for the entire match. No Straw or Palm hats are allowed with the exception that ladies may wear Victorian style straw hats. The B-Western/Lady B-Western Category requires that hats be worn and must be felt hats only. No straw or palm leaf hats allowed.

### Considerations Concerning Ammo Shortage

The *OPEN* category will be permitted for Monthly Matches. Shooting in the *OPEN* Category will be fun but not eligible to win match or win in any category.

*Open* Category will allow the following:

- Shotgun
  - Any type of shotgun 12 gauge or smaller
  - Shot requirement will remain #4 Birdshot or smaller.
  - Targets are required to be hit but not fall.
- Rifle and Pistol
  - Any type of firearm may be used.
  - Must be standard pistol caliber(No Magnum)
  - All bullets must be lead only
  - .22 Rimfire ammunition of Standard Velocity is permitted.
- Scenarios
  - May be abbreviated
    - Example: If round count is 10-10 & 4. Shooter may elect to shoot 5-5 & 2 by shooting the first 5 Rifle, the first 5 Pistol and the first 2 Shotgun Targets.
    - Target Order Must Be Followed however shooter may use a different firearm
      - Example: Shooter only has a .22 Rifle. Shooter would engage all Rifle, Pistol and Shotgun Targets with his/her Rifle.
