SASS Sanctioned Matches

Part 3

SASS Sanctioned Championship Matches begin at the state level and may be the *State Championship* or the *Black Powder State Championship*. In the case of Washington, there is the *State Championship* which is currently held at Benton City and the *Black Powder State Championship* currently held at Medical Lake.

There are also a few Territorial Championship Matches and there used to be Divisional levels, but to the best of my knowledge they no longer exist. The next level is regional matches which consist of the seven regions: Northwest, Western, 4 Corners, Midwest, Northeast and Southeast.

At the National Championship Level are *Land Run*, now held in Oklahoma and the *International Championship* held in Arizona.

To be continued in Part 4.
