## End of the year for Ricochet Junction

Hardcore shooters who didn't allow mother nature to deny them from shooting the last matches of the year were rewarded with hot stew and the fix'ns along with a cake and homemade pie for the occasion.

Ricochet Junction Range will be closed for the months of December and January and if weather permits, the resumption of monthly 2024 matches is planned for February 3&4. Notice of match cancellation will be distributed no later than Jan.31.

## DID YOU KNOW?

SASS is making some changes this fall as presented in the November member bulletin. You can click open the "WBAS Analysis & Action Plan" to see what changes are coming to Wild Bunch starting the first of the year. A couple of changes are the inclusion of any SASS legal shotgun & the allowing of rifles in 38 caliber. Teddy Roosevelt & Doughboy will be added to the SASS recognized categories.

I have the meeting minutes from Land Run which talks about items discussed by the TG'S. It is rather lengthy to post here, but anyone wishing a copy can e-mail me at [gsfarris@yahoo.com](mailto:gsfarris@yahoo.com) and I will be happy to email a copy. One item discussed was having the RO courses online. Most felt this needed to be interactive and allow for Q&A's, so the first time taken would need to be as part of a class and then renewal could be done on-line.

Another change is in how TG'S will now receive a TG Bulletin bi-monthly. The first edition mentions a vote coming up toward the end of the year which the TG'S will present to the individual home clubs (they did not say what vote is on). When I receive more info it will be sent out as an email (we will not have a newsletter over the winter) which you can respond back to me and I will forward the general consensus of the NEW Regulators back to SASS.
