## North-East Washington Regulators Welcomes New Members

Granny Gunsmoke presented badges and welcomed new members Buckhorn and CeCe Pearl, also known as Brad and Carol Canfield.

### DID YOU KNOW?

Courtesy of Territorial Governor Ranger Six

This past match, a situation occurred where a pump shotgun was loaded with more than two rounds. Nobody present was sure of the exact ruling, so I did a little research in the Shooter's Handbook, Version 27.5 (1 January 2024) and found the following on page 26:

Shotgun Ammunition - "Pump and lever action shotguns are not allowed to load more than two live rounds at a time in the main match stages unless specified in the stage description."
