North-East Washington Regulators at the Fair

The North-East Washington Regulators were represented in the Stevens County Fair Parade thanks to the imagination and creativity of Granny Gunsmoke & Covada who put this float together and entered it for the parade.

Great Job and a Big Thanks for Keeping the Spirit Alive!!!!!!

2026 Washington State Black Powder Championship Match

SASS has sanctioned the North-East Washington Regulators to host the 2026 Washington State Black Powder Championship Match at Ricochet Junction. The planned date is October 3 & 4 2026. Stay tuned and we'll keep you updated.

Did You Know?

Courtesy of Territorial Governor Ranger Six

There have been some questions raised lately regarding the interpretation of SASS rules. (The following references are from the 2025 Shooter's Handbook) Page 16 "Shotguns are always staged open and empty and are loaded on the clock unless the stage begins with the shotgun in the shooter's hands." So, it seems when shotgun starts in hand you can always load it before the buzzer. The general consensus is that it still should be done on the instruction of the TO.

Page 14 "ALL SASS Safety conventions are not negotiable...". Page 14 "The following stage conventions (stage defaults) should be followed in all SASS matches unless otherwise directed in the stage descriptions." There seems to be a difference of opinion in the interpretation of these rules, but as always in disputes, the advantage goes to the shooter. So, as long as the stage instructions do not violate safety conventions the stage writer can alter stage conventions. The issue was, does the shotgun have to be in hands? If stage instructions state shotgun in hand/s, then the shooter can decide which position works best for them.

Another item regards ammunition. Page 28 "Shooters may not start a stage with ammunition in hand(s)". This may be interpreted as being held in hand(s), but it is OK for the fingers to be touching the ammunition.
