Did You Know?

Complements of Ranger Six

SASS has made some changes to categories again. The title of *Young Guns* has been dropped and now only the title of *Jr. Boy* or *Jr. Girl* is official. Jr.'s are aged 14 through 16 years old. The new categories of *Shootist* and *Lady Shootist* are for folks 90 years young and above. *Open* and *HPD* are still not recognized SASS Categories.

There also has been a minor change to *Buckaroo*, a clarification of shotgun procedure. It now reads "Knockdown targets must be hit, but do not have to go down to count". Another minor item is to *Classic Cowboy* states, "Zippers are allowed but cannot be visible". Another topic which has popped up lately is the wearing of hats. *Classic Cowboy* and *B-Western* are the only categories that specifically require the wearing of hats.

Idaho Muleskinner is moving. Can't say to where yet, but he did want to give a big shout out of thanks to Hoss Face and Salt Crick Bulldog for giving a helping hand getting some of the Big Stuff into storage.
